BYLAAG 3**Waarheen bestee Suid-Afrikaners hul geld?**

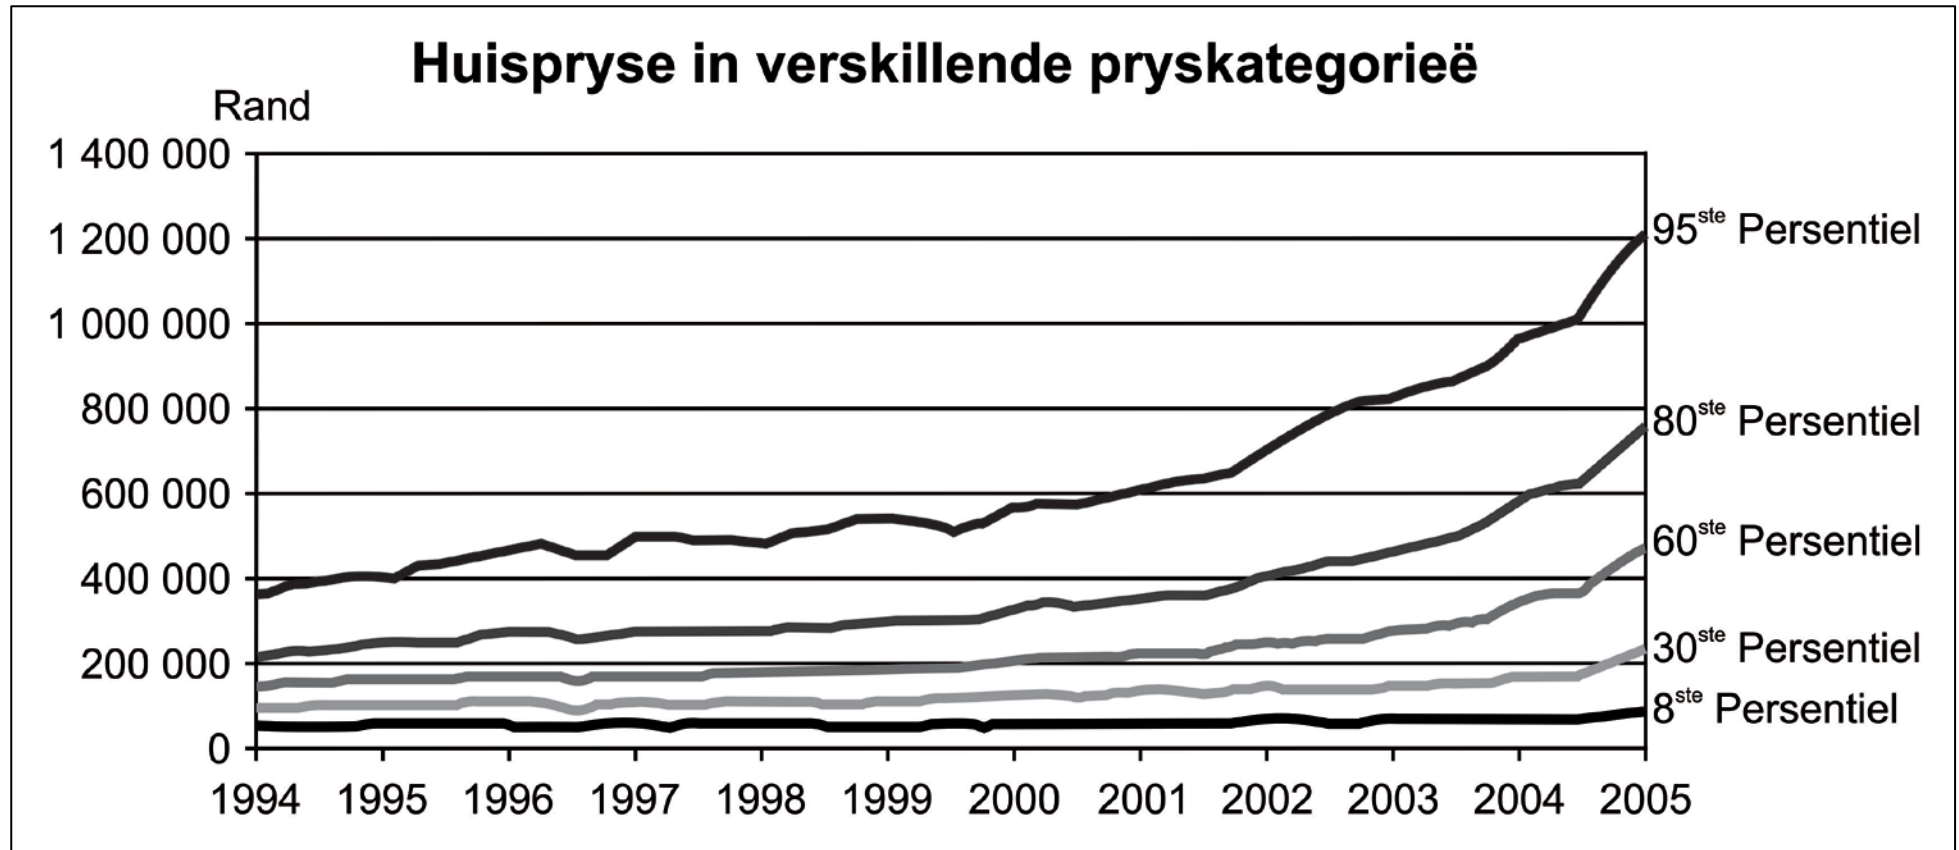

Statistiek Suid-Afrika doen elke 5 jaar 'n opname waarin hulle probeer bepaal waaraan Suid-Afrikaners hul geld bestee. Die laaste opname is tussen September 2010 en Augustus 2011 gedoen.

Oor die opnametydperk (September 2010 – Augustus 2011) het 32,0% van die algehele huishoudelike *verbruiksbesteding* na behuising, water, elektrisiteit, gas en ander brandstowwe gegaan. 'n Gemiddelde huishouding sou gedurende die opnamejaar ongeveer R30 505 aan hierdie item bestee het.
